

MAINTENANCE PROTECTION PLAN AT AUTO REPAIR SPECIALISTS

BG MAINTENANCE PLAN

This warranty covers engine, drive train & steering against failure from oil related problems. Customer must perform BG services on covered areas at specific mileages. This is a supplemental policy with dollar limitation depending on the repair area. There is no cost to this warranty up front. When you perform a maintenance service with BG products within the specified mileage of the vehicle, the warranty contract starts (per any restrictions).

After that, continue to maintain your vehicle and if any problems occur, we will be able to provide help according to the contract specifications.
